TEACHER COMPARISON VARIABLES

RECOMMENDATIONS

- 1. Kings Park School District needs to address the Retention of Certified Teachers, specifically the high turnover rate compared to the 8 Comparative Districts reviewed
- 2. Kings Park School District needs to actively recruit minority teachers to increase the (0.3%) currently lowest among the 8 Comparative Districts reviewed

- 3. Kings Park School District should aspire to increase academic Regents attainment scores in Chemistry, English, Spanish, Global and U.S. History and Math B by recruiting and hiring the best qualified candidates available offering competitive salary base plus benefits.
- 4. Kings Park School District should also look into the feasibility of starting a full day Kindergarten program to address continuing enrollment growth.
